

# The GTASA WILKINS Prize for Student Environmental Initiative APPLICATION FORM

**Do you have students who  
have shown outstanding  
environmental initiative?**

Sir Hubert Wilkins was a talented South Australian polar explorer, climatologist, pilot, geographer, plus celebrated war photographer, submariner and much more. To honour this famous South Australian explorer and geography, GTASA invites you to participate in the Student Environmental Competition.

**Nominate a student or a student group by completing  
a 50-100 word synopsis**

## **Prize categories:**

### ***Junior Years Wilkins: R-Year 5***

- Groups and individuals have the chance to win a voucher to 'Australian Geographic' to the value of \$100

### ***Middle Years Wilkins: Year 6-9***

- Groups and individuals have the chance to win a voucher to 'Australian Geographic' to the value of \$200

### ***Senior Years Wilkins: Year 10-12***

- Groups and individuals have the chance to win a voucher to 'Australian Geographic' to the value of \$300

\*\* All students nominated will receive a certificate of recognition from the GTASA.
